Dear Favorite Establishment of Mine:

As one of your customers, I wanted to let you know that I come here often and have noticed something—you don't carry Bayou Rum. I also wanted to let you know that if you did carry Bayou, I'd be grateful and even MORE excited to visit here. I have tasted Bayou Rum and I make it a point to recommend it to all my friends and rum drinkers. That said, I love Bayou Rum and would love to see it here for sale.

Your Good Customer and Bayou Rum Fan,

(Put your John Hancock here.)
