

TASTE THE SPIRIT OF LOUISIANA™

There's a spirit that runs through the bayous of the land and veins of the residents of Louisiana that's like no place on earth. From the culture to the cuisine, to the way people celebrate—it's about living life to its fullest and having some fun along the way. It's from this place, where the sugarcane first came to the USA, that a new spirit is born...

Bayou® Rum is handcrafted the Louisiana way; in a traditional copper pot still using 100% natural unrefined Louisiana cane sugar and molasses following our authentic "sugar house" recipe, by folks who know fine rum.
